Purpose of the Post-licensing Education Program:

The primary objective of the Post-licensing Education Program is to provide instruction at a level beyond that provided in the Broker Pre-licensing Course on topics deemed to be of special importance to licensees.

Per Commission Rule 58A .1902: Provisional Brokers must complete, within three (3) years following initial licensure “a post-licensing education program consisting of ninety (90) hours of classroom instruction in subjects determined by the Commission” [G.S.93A-4(a)1]. The program consists of three 30-hour courses, at least one of which must be completed in each of the first three (3) years following initial licensure in order to retain eligibility to actively engage in real estate brokerage. At this School each Post-licensing course consists of a total of 32 classroom hours and will include the End-of-Course Exam.

The 90-hour Post-licensing Education Program consists of three 30-hour courses prescribed by the Commission which may be taken in any sequence. However, the Commission recommends the following course number sequence (301, 302, & 303), as course materials were developed with that sequence in mind. When a provisional broker has timely completed all three (3) courses, the provisional status of the broker’s license will be automatically terminated by the Commission.

Post-licensing Course Enrollment Requirements:

Per Commission Rule 58H .0209: A school shall not enroll an individual in a Post-licensing course if the first day of the Post-licensing course occurs while the individual is enrolled in a Pre-licensing course or if that individual has not passed the license examination.

Per Commission Rule 58A .1904, a provisional broker is subject to withdrawal or denial of Post-licensing education credit by the Real Estate Commission if s/he enrolls concurrently in Post-licensing courses (at the same or different schools) that result in the provisional broker being in class for more than 30 classroom hours in any given seven-day period.
